Tips:

- *It is made from the bottom and up.*
- *It is worked in rows back and forth.*
- *Odd rows are the right side, even rows are the wrong side.*
- *Every row, except for the last two rows on the sides, starts with ch 4, which acts as dtr.*
- *The shawl is supposed to be a bit airy and light. If it is not, try a bigger hook size.*
- *The initial ch 4 on each row acts as dtr.*
- *If you have any questions about the pattern, you can always contact by email and I will try to answer as fast as possible: frostvirka@gmail.com.*

Tie your ends with double knots on the backside before you weave them in. If you have made your shawl in Katia Gatsby, it does not need to be blocked.
